THE BENJAMIN EXPERIENCE: DISTINCTIVE TOUCHES

OVERVIEW:

In planning its first luxury property and New York's only Executive Suite Hotel, the Denihan Hospitality Group (DHG) drew from personal experiences and guest input to create an intimate boutique-style property with a seamless sense of service. The goal was to create a sophisticated, yet user-friendly retreat that could serve both the business and leisure traveler with a level of intimate luxury not readily found in larger hotels.

As such, the hotel goes to great lengths to create "The Benjamin Experience." This experience anticipates and caters to guest needs with a full array of amenities and services that would please even the exacting demands of New York hotel pioneer Benjamin Denihan Sr., DHG's founder.

ECOTEL®-CERTIFIED:

The Benjamin takes pride in its "green" commitment, and is one of just four hotels worldwide to earn all five ECOTEL® Globe Awards: Energy Efficiency, Solid Waste Management, Water Conservation, Legislative Compliance/Land Preservation and Employee Environmental Education/Community Service.

AMENITIES:

From the hotel's custom Benjamin Bed with 100% Egyptian Cotton Anichini bedding and 12-choice pillow menu to special touches such as gourmet coffee and custom shower caddies, guests enjoy an exceptional level of treatment around the clock.
